COTTON AND FIBER BRANCH MEMORANDUM NO. 5

Supplement 1

Weekly Field Reports

Weekly field reports including area office, local office and fieldman reports are confidential and their distribution must be confined to the personnel of the Cotton and Fiber Branch.

We want these reports to be a free expression of the writer's thoughts. Many times, therefore, they will contain information of a confidential nature. The knowledge that a general distribution is to be made would restrict the information. Moreover, a wider circulation would not be economically feasible.

Personnel of the Branch on active military duty are eligible to receive these reports.
